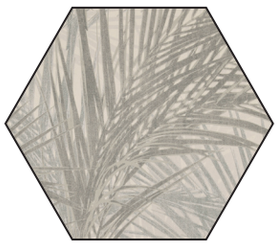
Interior Affairs

'SOFT, WARM TONES AND NATURAL.'



Interior Affairs is inspired by the heady days of the 20's and 30's. Imagine a sleek hotel lobby, sweeping staircases leading to a jazz-filled bar, or the hedonistic lifestyle on a luxury cruise liner. But this is Art Deco with a twist in perfect harmony with natural materials. Outspoken, raw and challenging, yet always distinguished. Your wall gains its own character with an intense wallpaper that exudes passion. Create a world filled with sanctity. The soft, warm tones and natural elements offer protection from the faster, harder outside world. Experience tranquillity and space and get your breath back.

Non-woven, Paste the Wall vinyl wallcoverings - unpasted.
Wallpaper (roll = 10.05 mtr x 52 cm or 5 mtr2)
58 colourways
Carton quantity = 12 rolls

$115.99 - $137.99 RRP
